

SOLAR FIRE DYNAMIC INTERPRETATIONS REPORT

TRANSITS: Transits to Natal Interpretations

These interpretations have been written to apply to transits to a geocentric tropical natal chart using a quadrant-based house system.

When using these interpretations, please bear in mind that, inevitably, every chart will contain some contradictory influences, and as a result certain interpretations of different items in the same chart may seem difficult to reconcile. However, this may still be an accurate reflection of what is happening to the individual whose transits are being interpreted, as people do experience conflicting desires, events and circumstances in their lives. It is the responsibility of the astrologer to synthesize these apparent contradictions in order to present a cohesive and realistic interpretation of the dilemmas of the chart.

Australian astrologer Stephanie Johnson has written the text in this report. Stephanie holds a Bachelor of Arts (Journalism) and was a journalist in Australia, England and the USA for 15 years before becoming a professional astrologer. She is currently a consulting astrologer, is Company Director of Esoteric Technologies Pty Ltd in Adelaide, Australia and Editor of the Australian Data Collection. She holds the FAA Practitioners' qualification and was a former editor of the Journal of the Federation of Australian Astrologers. Stephanie has also completed the Robert Zoller Certificate in Medieval Astrology.

Even if religions have never before seemed inviting, you may now start to ponder the meaning of life and explore different religious avenues. You may be tempted to go on some sort of spiritual quest. However, one of the problems with this transit can be that you are seeing everything through rose-tinted glasses. In other words you may be vulnerable to the charlatans of the world as you are extraordinarily sensitive during this transit. You may also feel the urge to take on some charity work. While this can be a beneficial act, you need to beware of wasting your energy on people who do not want to be helped, but would prefer to remain victims of society. Also beware of being lured into the world of addiction through drugs of any kind. You would do better to explore spiritual pursuits, metaphysical subjects, or latent artistic talents without entering schemes that could have long-term ramifications.
