

## **SOLAR FIRE DYNAMIC INTERPRETATIONS REPORT**

### **TRANSITS: Transits to Natal Interpretations**

These interpretations have been written to apply to transits to a geocentric tropical natal chart using a quadrant-based house system.

When using these interpretations, please bear in mind that, inevitably, every chart will contain some contradictory influences, and as a result certain interpretations of different items in the same chart may seem difficult to reconcile. However, this may still be an accurate reflection of what is happening to the individual whose transits are being interpreted, as people do experience conflicting desires, events and circumstances in their lives. It is the responsibility of the astrologer to synthesise these apparent contradictions in order to present a cohesive and realistic interpretation of the dilemmas of the chart.

Australian astrologer Stephanie Johnson has written the text in this report. Stephanie holds a Bachelor of Arts (Journalism) and was a journalist in Australia, England and the USA for 15 years before becoming a professional astrologer. She is currently a consulting astrologer, is Company Director of Esoteric Technologies Pty Ltd in Adelaide, Australia and Editor of the Australian Data Collection. She holds the FAA Practitioners' qualification and was a former editor of the Journal of the Federation of Australian Astrologers. Stephanie has also completed the Robert Zoller Certificate in Medieval Astrology. Keywords relating to transits of inner planets have been extracted from Bruce Scofield's DAILY ASTRO REPORT keyword text, by permission of Astrolabe Inc.

### **PROGRESSIONS: Progression Interpretations**

Astrologers use the term "Progressions" to describe a particular technique of moving planets forward in time. This technique is aptly named because it describes how a person progresses through their life. Progressions describe the different phases in our lives as well as our inner urges and how they affect our lives rather than dramatic outer events. However, our urges can significantly affect the way in which we react to circumstances and therefore our decisions. It is important that we go with the flow rather than fight against the tides of our lives. Therefore Progressions are likely to show us signposts in life's journey and consequently help us gain wisdom and understanding. Some astrologers believe that Progressions are signs from our soul or higher self; others place less emphasis. We suggest that you read on and see for yourself.

**TRANSITING NEPTUNE SQUARE RADIX MERCURY** (3rd House to 12th House)

Exact 2 Feb 2008

At this time you are open to deception and confusion in your communications with others. It is a poor time for making decisions that require hard, logical thinking. Therefore it is best to leave any contract or business decisions until after the transit has ended. Information is just not what it seems. You may feel nervous, on edge and distrustful. You may find your attention wandering. It would be better if you could find a creative pursuit which enables you to slow down and relax - something which requires imagination rather than logic.

**TRANSITING JUPITER SQUARE RADIX NEPTUNE** (2nd House to 11th House)

Exact 7 Feb 2008

You are currently vulnerable to deception and disillusionment because the energies of this transit lead you to discard the more practical side of your nature in favour of a fantasy world. Your common sense has flown out of the window and you yearn for greener pastures. You may find yourself daydreaming of better times, or even taking up a fanatical religious pursuit. Therefore this is not the best time for making life-changing decisions or entering into agreements which demand clear judgement.

**TRANSITING CHIRON SQUARE RADIX VENUS** (3rd House to 12th House)

Exact 10 Feb 2008, Exact 6 Oct 2008, Exact 12 Nov 2008

This is a painful time in your relationships, particularly if you are married or have an intimate partner. Sub-conscious patterns which have threatened the fulfilment of the relationship will come to the surface to be seen in the light of full consciousness. As a result your relationship with your partner is likely to undergo changes, which at first seem uncomfortable, but which will ultimately prove healing. It is possible that your relationship ends, but it is also possible that it will grow in a new form. What was once an unhealthy state of affairs can now blossom once the wounds of the past have been healed. You may also meet someone else who forces you to reassess your values and the true worth of your relationships. It is likely that your most intimate relationship will be affected by this transits, but it is also possible that friendships will be influenced.

**TRANSITING NEPTUNE SQUARE RADIX ASCENDANT** (3rd House to 1st House)

Exact 11 Feb 2008, Exact 1 Oct 2008, Exact 3 Dec 2008

This can be a time of confusion in your personal relationships. There is a lack of clarity in either your own or your partner's intentions at the moment, and every time you try to sort things out the fog seems to thicken. It may be that one of you is involved in outright deception or it could just be that the communication lines are crossed. Either way it is best to be as honest as possible reflecting your true self as much as possible in all intimate encounters. In the meantime avoid making life-changing decision until the transit ends. It is particularly important to avoid making decisions about business partnerships and legal situations until this transit is over.

**TRANSITING JUPITER SEXTILE RADIX CHIRON** (2nd House to 12th House)

Exact 12 Feb 2008

Now is the time to make the most of any opportunities to lay to rest painful memories, which have haunted you in times gone by, and move into areas that are linked straight to your heart. Opportunities for learning present themselves and you may discover talents that you never knew existed. One person, an important teacher or healer, may enter your life, or you could take a study course or travel. Alternatively if this transit happens later in your life, you also may have the chance to express your own teaching and healing talents, finding an appropriate avenue of expression for wisdom gained from past experience.
